NONE

6. INTRODUCTIONS

7. **PUBLIC COMMENT**
   (This time is reserved for members of the public to address the Board relative to matters of business on and off the agenda. Comments will be limited to three minutes per person).
   NONE

8. **CONSENT AGENDA (8.1-8.4)**
   **VOTE REQUIRED**
   8.1 Consideration of Minutes 2019-06 of regular Board Meeting held June 13, 2019. *(EXHIBIT A)*
   8.2 Consideration of Resolution 2019-12 Authorizing Payment of Attached Requisition June 1, 2019 through June 30, 2019. *(EXHIBIT B)*
   8.3 Consideration of a County of Los Angeles Negotiated Tax Exchange Resolution (NTER), related to the annexation of Project L 076-2018. This resolution authorizes the County of Los Angeles and GLACVCD to collectively approve and accept the negotiated exchange of ad valorem property tax revenue resulting from the annexation of the subject territory identified in the resolution to provide revenue to the County Lighting Maintenance District (CLMD) 1687. A copy of the letter from the County of Los Angeles Department of Public Works requesting this resolution is attached. *(EXHIBIT C)*

   **Analysis:** The NTER from the County of Los Angeles is similar to previous L.A. County tax sharing resolutions and seeks to generate revenue to partially fund the services of CLMD 1687 as noted above. Similar resolutions have previously been adopted by the Board. This Petition relates to funding for the operation and maintenance of new street lighting services for a property in South Whittier. Although the District gives up a negligible share of its ad valorem property taxes in this exchange, in subsequent years, that amount would generally be regained, if not exceeded, due to an increase in property values associated with services provided by the CLMD.

   8.4 Consideration of a Joint Tax Sharing Resolution (JTSR) from the County Sanitation Districts of Los Angeles County in conjunction with annexation number SCV-1100. This Resolution requests GLACVCD allocate 0.0000057 of its current 0.0322% share of property tax resulting in a net share of 0.0317% to support services to the area being annexed to the County Sanitation District. *(EXHIBIT D)*

   **Analysis:** The applicant requested annexation of property into the Santa Clarita Valley Sanitation District in order to receive off-site sewage disposal services. The annexation process requires that a resolution for property tax revenue exchange be adopted by all the affected local agencies before an annexation may be approved. This request is similar to many received from the county sanitation districts and public works in the past. By sharing the property tax increment with the District resulting from this annexation, GLACVCD will not lose any existing ad valorem tax revenue it currently receives from the affected territories. GLACVCD would only be giving up a portion of the revenues it would receive on increased assessed valuation.

Trustee Croft made a motion to approve the Consent Agenda. The motion was seconded by Trustee Heinrich and approved unanimously. Trustee Delgado was not present for the vote.
9. CONSIDERATION OF CANDIDATES SEEKING ELECTION AS REPRESENTATIVE TO CALIFORNIA SPECIAL DISTRICTS ASSOCIATION (CSDA) BOARD OF DIRECTORS SOUTHERN NETWORK, SEAT B (EXHIBIT E, VOTE REQUIRED)

Summary: The leadership of CSDA is elected from its six geographical networks. Each of the six networks has three seats on the Board with staggered 3-year terms. Candidates must be affiliated with an independent special district that is a CSDA Regular Member in good standing and located within the geographic network that they seek to represent. The CSDA Board of Directors is the governing body responsible for all policy decisions related to CSDA’s member services, legislative advocacy, education, and resources.

The District has received candidate statements from Dennis D. La Moreaux, Michael Mack, Kathleen Tiegs, Greg Mills and Lindsay Woods.

Truc discussed a ballot received from CSDA seeking the District’s vote for a representative to fill the Southern Network, Seat B position on the CSDA Board. Information on seven candidates was provided for the Board’s consideration.

Trustee Mowles made a motion to approve a vote for Greg Mills. Trustee Sanabria seconded the motion and approved unanimously.

10. COMMITTEE REPORTS

10.1 Audit Committee

10.1.a. Consideration of proposal for new professional auditing services contract with White Nelson Diehl Evans (WNDE) for fiscal year ending June 30, 2019 through June 30, 2021. (EXHIBIT F) (VOTE REQUIRED)

Chair Aceituno asked Truc to give an update on the committee’s meeting and decision. Due to the District’s nearly 10-year contract with the same auditing firm, the Board moved forward in opening an RFP for auditing services which produced four proposals. After staff interviewed three firms, Truc recommended the proposal submitted by White Nelson Diehl Evans (WNDE) to the committee. The Audit Committee unanimously voted in favor of bringing the proposal to the full board.

Trustee Santa Ines apologized for not making it to the committee meeting but wanted to share his positive experience working with WNDE and recommended moving forward with their proposal.

Trustee Saleh asked how long the District was under contract with its previous auditors and Truc mentioned the District was with LSL for nine years but the account manager was rotated every few years.

Trustee Sanchez closed discussion and disclosed that he worked for WNDE from 2008 to 2014 but has not worked there in five years. Trustee Sanabria made a motion to approve. Trustee Santa Ines seconded the motion and approved unanimously.

10.2 Risk Management Committee

10.2.a. Consideration of proposal from Keenan IMReady for Emergency Operations Plan Development. (EXHIBIT G) (VOTE REQUIRED)

10.2.b. Approval of expenditures to cover contract costs for Keenan IMReady for Emergency Operations Plan Development. (EXHIBIT H) (VOTE REQUIRED)
Vice Chair Kwong reported the Committee met last month to discuss allocating funds towards contracting a provider to develop a disaster preparedness and recovery plan and received three bids. The Committee unanimously moved to recommend the contract and plan provided by Keenan IMReady for approval.

Trustee Wassem asked for more information regarding the type of coverage the vendor would provide. Truc shared that the proposal submitted by Keenan provided an assessment of the District’s top threats and the assistance to develop a plan for the District to prepare adequately.

Trustee Mendoza asked if the assessment by Keenan IMReady would provide cost estimates of what is needed for the District to prepare. Truc mentioned the proposal would be more of an action plan. Trustee Copeland asked what the cost for services were and Truc explained the development of the plan would cost less than $15,000 and includes training and table-top exercises. Additionally, it was the lowest quoted proposal in comparison to the other vendors.

Trustee Medina asked about the qualifications and disaster training of Keenan’s staff. Truc mentioned the staff had emergency training but she did not have information on their specific certifications at the moment. She added that Keenan specialized in working and developing emergency preparedness plans for other public agencies. Trustee Medina asked that staff looked into whether Keenan had CERT training.

Trustee Sanabria made a motion to approve both items. Trustee Sanchez seconded the motion and passed unanimously with Trustee Medina abstaining.

10.3 Personnel Committee

10.3.a. CLOSED SESSION: PUBLIC EMPLOYEE PERFORMANCE EVALUATION

Pursuant to Government Code § 54957, the Board of Trustees will hold a closed session to evaluate the General Manager’s performance.

Designated representative attending the Closed Session: Legal Counsel

Quinn initiated the closed session. Upon return, Quinn reported that the District’s board took two actions. The first action was to give direction to the General Counsel and was passed unanimously with two abstentions. The second action was made to give direction to the District Counsel but failed with 10 votes in favor, 16 votes not in favor, and two abstentions.

11. STAFF PROGRAM REPORTS: JULY 2019

11.1 Manager’s Report

In addition to her report, Truc wanted to highlight a potential opportunity that would help alleviate the District’s space issues at both the Santa Fe Springs and Sylmar locations. Truc shared that an adjacent vacant lot to the Sylmar branch was going to be for sale in the near future. While the property has not received an appraisal, it is estimated to go for $1.2 million dollars. The administration has taken a look at capital reserves and additional funds to evaluate feasibility of purchasing the land. While the board is not asked to make any decisions regarding this matter, Truc, with guidance from legal counsel, asked if an ad hoc committee could be formed to discuss this matter further. In addition to the board’s executive officers, Present Sanchez appointed Trustee Goldsworthy, Trustee Appleton and Trustee Aceituno to participate in the ad hoc committee.

11.2 Scientific-Technical: (Staff Report A)

Susanne reported that there has not been any virus activity within the District yet but incoming warm months could change that. Two dead birds positive with West Nile Virus were found closer to the coast outside of the District service area.
11.3 Operations: (Staff Report B)  
M. Daniel, Operations Dir.

Mark offered to answer questions about his report. Trustee Goldsworthy had a question regarding an aerial application mentioned in the report but Mark clarified that the aerial flyover was in reference to aerial photographs made for the Swimming Pool Program.

Trustee Bollman had a question regarding SWAT Lab Driver Training and Truc mentioned the training added three additional drivers from the operations staff. In the new fiscal year, the District is looking to train five additional staff as SWAT Lab Drivers.

11.4 Community Affairs: (Staff Report C)  
A. Medina Diaz, PIO

Anais offered to answer questions from the Board.

11.5 Fiscal: (Staff Report D)
