8. **CONSENT AGENDA (8.1 – 8.4)**
   *(VOTE REQUIRED)*

   8.1 Consideration of Minutes 2020-09 of regular Board Meeting held on September 10, 2020. *(EXHIBIT A)*

   8.2 Consideration of Resolution 2020-15 Authorizing Payment of Attached Requisition September 1 through September 31, 2020. *(EXHIBIT B)*

   8.3 Consideration of County of Los Angeles Negotiation Tax Exchange Resolution (NTER), related to the annexation of Project Tract 76070. This resolution authorizes the County of Los Angeles and GLACVCD to collectively approve and accept the negotiated territory identified in the resolution to provide revenue to the County Lighting Maintenance District 1697. A copy of the letter from the County of Los Angeles Department of Public Works requesting this resolution is attached. *(EXHIBIT C)*

   Analysis: The NTERs from the County of Los Angeles are similar to previous LA County tax sharing resolutions and seek to generate revenue to partially fund the services of CLMD 1697. Similar resolutions have previously been adopted by the Board. This Petition relates to funding for the operation and maintenance of new street lighting services for properties in Carson. Although the District gives up a negligible share of its ad valorem property taxes in this exchange, in subsequent years, that amount would generally be regained, if not exceeded, due to an increase in property values associated with services provided by the CLMD.

   8.4 Consideration of the two County of Los Angeles Joint Tax Transfer Resolutions, related to Annexations No. 2019-08 and No. 2019-01, detachment of territories from County of Los Angeles, annexation of said territory to the Santa Clarita Valley Water Agency and the City of
Rancho Palos Verdes, respectively. Copies of the letters from the County of Los Angeles, Chief Executive Office requesting these resolutions are attached. *(EXHIBIT D)*

Trustee Croft made a motion to approve the consent calendar. The motion was seconded by Trustee Saleh and approved unanimously.

The district received a request from the City of Vernon to be annexed into the district service area. Following a couple of years under an “Out of Agency Service Agreement”, the Board voted to move forward with the annexation. The annexation process is underway with LAFCO and the CEO’s office, and this resolution allows for the exchange of property tax revenue as a result of the annexation.

President Appleton asked for questions but there were none. He asked what the economic impact would be if the City of Vernon was annexed. General Manager Dever shared that after monitoring the work over two years, residents and property owners were cooperative with vector control. Another concern was underground storm drains but the contract period showed that the additional work was manageable for those operational teams. Servicing the city has not been an additional burden.

Trustee Tye made a motion to approve the resolution which was seconded by Trustee Croft. The resolution was approved unanimously.
11. COMMITTEE REPORTS

11.1 Personnel & Policy Committees    S. Croft, Personnel Comm. Chair

Trustee Croft shared that the Personnel Committee met to discuss the issue around employees cashing out vacation and sick pay accruals and IRS tax implications relating to constructive receipts. After consulting with Oliver Yee from Liebert Cassidy Whitmore (LCW) and a referred tax attorney, new policy language was developed for the Employee Handbook and a procedure using irrevocable elections could be implemented to resolve the issue. An irrevocable election would be made by the employee by December 2020 to cash out vacation and sick hours at the end of 2021.

Trustee Sanchez questioned language in the policy which allowed for cash-out exceptions during emergencies or hardship. He felt that the definition in the policy was somewhat vague and offered that the board define the examples of hardships. Trustee Croft shared that it was not recommended by LCW to have more defined examples of hardships.

**Trustee Bollman made a motion to approve. The motion was seconded by Trustee Wassem and approved unanimously.**

- Review and consideration of District Credit Card Usage, and Travel and Cost Reimbursement Policy (EXHIBIT G) (VOTE REQUIRED)

Trustee Croft reported that the committee recommends approval of the policy. General Manager Dever shared that the policy added oversight on approvals for reimbursements, repercussions for staff who do not submit their receipts in a timely manner, and outlines who is allowed to hold a credit card.

Trustee Sanchez requested clarification on the requirements for each purchasing threshold and what the repercussions are for not submitting a receipt within 10 days. General Manager Dever offered that the policy would provide the manager/supervisor with the ability to discipline if the receipts are not submitted in a timely manner.

**Trustee Kiefer made a motion to approve. The motion was seconded by Trustee Sanchez and approved unanimously.**
12. **STAFF PROGRAM REPORTS: SEPTEMBER 2020**

12.1 **Manager’s Report**

T. Dever, General Manager

General Manager Dever briefly shared that the District held its virtual Employee Appreciation Day on Tuesday, October 6th and was very proud of District staff for their hard work. She was very impressed with their efforts to not let one public health emergency turn into another public health emergency and she’s proud to be a part of the agency.

12.2 **Scientific-Technical: (Staff Report A)**

S. Kluh, Sci.-Tech Services Dir.

Director Kluh shared that although there is a lot of mosquito and disease activity, mosquito numbers and human cases are low despite the high transmission of WNV. She hopes residents will wear insect repellent to deal with WNV and to prevent *Aedes* mosquito bites.

12.3 **Operations (Staff Report B)**

M. Daniel, Operations Dir.

Director Daniel reported that his staff has been doing an excellent job despite the high temperatures and bad air quality throughout LA County. President Appleton asked how the staff is working around the environmental issues they’re facing in the field. Director Daniel shared they are using N95 masks which help combat bad air quality; however, if they do have health issues that could be exacerbated by the poor air quality or extreme heat, they may stay indoors.

12.4 **Community Affairs (Staff Report C)**

M.J. Coburn, Community Affairs Dir.

Director Coburn highlighted the department’s work on coordinating an outreach event to promote West Nile virus awareness in the San Fernando Valley. The Community Affairs department worked with local groups and promoted on social media to advertise the event despite the short time frame. Director Coburn shared images and video from the event.

Trustee Houwen shared that Director Coburn provided an excellent presentation for the La Habra Heights City Council that prompted many residents to reach out to city hall and take action against mosquitoes on their properties.

Trustee Tye shared that he saw the news feature on CBS2 over the weekend and wanted to thank PIO Medina Diaz and the Community Affairs team for their hard work with the media.

12.5 **Fiscal (Staff Report D)**

C. Weeks, Finance Director

Director Weeks had nothing to add to her written report.

12.6 **Human Resources (Staff Report E)**

A. Bradley, Human Resources Dir.

Director Bradley shared pictures from the Employee Appreciation Day event and how the District adjusted to the COVID-19 limitations. The District had a drive-thru lunch delivery, hosted online activities, celebrated staff who received service awards, and provided gifts to the seasonal employees for their hard work.
Mr. Barrow reported that he has been working with the General Manager and the Executive Board to address any issues raised by COVID-19. President Appleton added that he’s thankful to have Heidi Heinrich and Emily Holman on the executive committee because of their backgrounds in health and public health.
